

QUEEN'S UNIVERSITY
COLLEGE of MEDICINE

TOP 10 REASONS TO ATTEND QUCOM...

1. **Our boutique campus**, with limited class sizes and personalized attention, ensures students have ample access to faculty
2. **Location, Location, Location!** The beautiful Island of Barbados makes for a great and safe learning environment with similar comforts to home
3. **Our affiliation with 300+ year old, Codrington College**, provides QUCOM a resource with a long history of operations in Barbados
4. **Our State of the Art facility** provides the latest in technological advances to ensure our medical education is current
5. **Our reasonable tuition** makes it easier to pursue your medical degree when compared with other programs
6. **Our faculty** members are veterans in the field of medical education with a full-time commitment to teaching and mentoring
7. **Our senior administrative team**, with more than 100+ years of combined experience in medical school education, facilitates a well-run program
8. **An International Airport with direct flights** to and from Canada, Major US Cities and capitals in Europe, makes it easy to come and go for both you and your family
9. **Our clinical campuses at Hospitals with ACGME residency programs** are of high caliber, on par with LCME US and Canadian medical school programs
10. **We offer formal board preparation** to ensure students earn competitive scores on the USMLE Step 1 exam – a leading criterion used to select candidates for residency programs.

Apply to QUCOM Today!

Factors We Consider for Admission

- Undergraduate cumulative GPA
- GPA in required pre-medical coursework
- Performance in Advanced Biology and chemistry courses
- Graduate work and records (if available)
- Competitiveness of undergraduate school and curriculum
- MCAT Score(s)
- Pre-med committee evaluations or Letters of recommendation from academic and professional sources
- Extracurricular activities and accomplishments
- Research, work and volunteer experience
- The Personal Interview (assessing communication skills, maturity and level of motivation)

APPLY HERE

www.qucom.edu.bb/apply

Applicants must have completed a minimum of 90 credit hours from a regionally accredited college or university. Those who have completed their undergraduate studies in countries that have a different educational system from that offered in the United States or Canada will be evaluated on their merits, but will be expected to have completed a pre-medical curriculum comparable to that described above.

Pre-Requisites

- BIOLOGY (2 semesters with lab)
- GENERAL CHEMISTRY (2 semesters with lab)
- ORGANIC CHEMISTRY (2 semesters with lab) one semester can be substituted with a semester (and lab) of BIOCHEMISTRY
- MATH (1 Semester—either CALCULUS or STATISTICS—recommended)
- ENGLISH (2 semesters)
- SOCIAL SCIENCES AND HUMANITIES—2 Semesters
